TOGETHER WE CAN ACHIEVE

NET ZERO FOR FALMOUTH

Join us at a Carbon Reduction and Environment

Day for All

- LEARN how to use energy more effectively and save money
- DISCOVER where you are losing heat
- MOVE to renewable energy
- FIND OUT about natural solutions to climate change on land and at sea
- TAKE PART to halt biodiversity loss and bring our wildlife back
- PROTECT our natural resources tree planting, natural flood management, keeping rain water out of the sewer and more..
- PLAY with activities for children including Safer Sands and Carbon Neutral learn through play.
- STEP INTO THE STRATEGY ROOM and imagine a Net Zero Future for Falmouth. To make your contribution to the debate go to ...
